Balancing Your Plate

Tom-Tom and Carlos need help making a healthy balanced meal! Help them create a balanced plate. On the back of this page, draw a plate like the one below. Then draw your favorite foods by filling ½ the plate with fruits and veggies, ¼ the plate with lean protein and ¼ the plate with whole grains!

- Monkey bars
- Soccer
- Hoola-hoop
- Climbing structure
- Hopscotch

Builds your abdominal and core muscles!
Builds overall strength and hand-feet coordination!
Improves endurance for heart health!
Builds shoulder strength!
Improves balance and coordination!

Jessie’s Back to School Guacamole on Toast!

September 16th is National Guacamole Day! Avocado is loaded with potassium, tasty heart healthy fats, and fiber! Mix together these ingredients and serve on top of whole grain toast.

Makes: 8 servings

Ingredients:
- 3 avocados
- ½ cup tomatoes (chopped)
- 1 lime (juiced)
- ½ bunch cilantro (chopped)
- 2 cloves garlic (mashed)
- ½ tsp. of cumin
- A pinch of salt and pepper

Directions:
1. Mash avocado in a bowl
2. Add tomatoes, lime juice, cilantro, garlic, salt and pepper. Mix until ingredients are evenly distributed
3. Serve with your favorite whole grain toast!

“I like a fried egg with mashed avocado on toast”
